IMPORTANT NOTICE: CHANGES TO YOUR POLICY DUE TO BREXIT

As a result of the likely departure of the United Kingdom from the European Union (Brexit), **we** have had to make some changes to how **our** policies are underwritten from 1st January 2019.

Please note that the changes referred to in this notice do not affect the cover provided under the policy.

Previously **our** policies were underwritten by Hiscox Underwriting Ltd (HUL) as an intermediary on behalf of the insurers shown in the schedule. Most sections of the policies were insured by Hiscox Insurance Company Limited (HIC), although some sections were insured by other insurers, as detailed on the schedule.

As a result of Brexit, sections of **our** policies that were previously insured by HIC are now insured by Hiscox SA (HSA) directly. HUL will no longer act as intermediary. HSA is an insurance company in the Hiscox group, domiciled and regulated in Luxembourg.

As a result of the change of insurer from HIC to HSA, **we** have had to make a number of changes to the way in which **our** policies are administered, including how complaints are dealt with.

In order to reflect these changes, the following amendments are made to your policy, including the schedule:

Policy wording

The General terms and conditions, the Property definitions and the following terms and conditions all apply to this section.

Special definitions for this section

Rent receivable

Rent that **you** cannot legally recover from **your** tenants while the **buildings** or any part are unusable as a result of insured **damage**.

What is covered

We will insure you against damage occurring during the period of insurance to insured buildings or any other items specified under this section in the schedule.

Additional cover

The following are also provided up to the amount stated in the schedule:

Trace and access

we will pay for the necessary and reasonable costs you incur with our consent to locate any damage to cables, underground pipes and drains or the source of a gas leak or of any escape of water from permanent internal plumbing, where the damage, leakage or escape first occurs during the period of insurance. We will also pay the cost to make good any damage caused as a consequence of locating the damage or source of leakage or escape.

Emergency services

Loss prevention costs

we will pay for necessary and reasonable costs that you incur to protect the buildings
from imminent insured damage occurring during the period of insurance.

Additions to buildings

Inadvertent omissions

5. having notified **us** of the intention to insure all **buildings** in which **you** have an interest and it being **your** understanding that all **property** is accounted for, if any such **property** is found to have been omitted, **we** will deem it to be insured within the terms of this **policy**. This is subject to payment of the appropriate premium either from **policy** inception or from the date which **you** became legally responsible for such **property**.

Selling the buildings

6. if you are selling the buildings, this policy will cover the buildings for the buyer from the time you exchange contracts to the time of completion, unless the buyer is insured by, or has the benefit of, any other insurance. To obtain the benefit of this additional cover, the buyer must comply with the terms of this policy.

Policy wording

9. the amount of the excess.

How much we will pay

We will pay up to the **amount insured** unless amended below or in the schedule, but we will not pay more than the **amount insured** in total for the cost of rebuilding or repair and other costs combined.

Rebuilding and repair

We will pay the cost of rebuilding or repairing the **buildings** to a condition equal to but not better or more extensive than their condition when new, provided **you** carry out the rebuilding or repair and do so without unreasonable delay.

Other costs

We will pay the following necessary and reasonable costs and expenses **you** incur in rebuilding or repairing following **damage** insured by this section:

- a. the cost of dismantling, demolishing, shoring up or propping up any part of the **buildings**;
- the cost of complying with any statutory or local authority requirement regarding the damaged part of the **buildings**, unless notice of such requirement was served before the **damage** and provided the **buildings** were originally built according to any government and local authority regulations in force at that time;
- c. the fees of architects, surveyors or consulting engineers;
- clearing, cleaning and repairing drains, gutters, sewers and the like on the insured premises which are blocked or damaged.

We will not pay for the cost of preparing a claim.

Special rebuilding conditions

You may rebuild or replace **buildings** which are totally destroyed in any manner suitable to **your** requirements and/or on another site provided this does not increase the cost.

Inflationary provision cover

Provided that **you** advise **us** of the rebuilding value of the **buildings** at the beginning of each **period of insurance**, the **amount insured** will be automatically increased by an additional percentage to take account of any inflationary increases over both the **period of insurance** and the period needed to rebuild or repair the **buildings**.

Your schedule will show if inflationary provision cover applies and the additional percentage amount.

Under insurance

If, at the time of **damage**, **we** establish that:

- 1. the amount insured; or
- the declared amount, where you have selected a first loss limit which is stated on the schedule;

does not represent the amount it would cost to reinstate the buildings, including an allowance for other costs, **we** will reduce the amount **we** pay for any claim or loss in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you** if **you** had declared the actual cost of reinstatement.

We will only apply this calculation if:

- we establish that the values declared to us are less than 85% of the actual reinstatement cost; and
- 2. **we** establish that **your** failure to declare the actual reinstatement cost was not deliberate or reckless and was a breach of **your** obligation to:
 - a. make a fair presentation of the risk to us before the start of the period of insurance;
 - notify us of a change of circumstances in relation to the reinstatement cost of the buildings, which may materially affect the policy; or
 - c. make a fair presentation of the risk to us when notifying us of a change of circumstances in relation to the reinstatement cost of the buildings which may materially affect the policy.

This remedy may apply in addition to General conditions 2. b.ii. and 4. b. ii. If **your** failure to declare the actual reinstatement cost was deliberate or reckless, the remedy under General conditions 2.a. or 4.a. will apply.

Policy wording

Index linking

If you decide to renew this policy with us, we will automatically adjust the amount insured or declared amount, as appropriate, for buildings for the subsequent period of insurance in line with any change in nationally publicised indices. You should advise us if you do not want us to increase the amount insured or declared amount in this manner. However, we will not reduce the amount insured or declared amount without your consent.

Your obligations

If any damage occurs

We will not make any payment under this section unless you:

- 1. notify **us** promptly of any **damage** which might be covered;
- 2. report to the police, as soon as is reasonably possible, any **damage** arising from theft, arson, malicious damage, riot or civil commotion and obtain a crime reference from them:
- arrange for urgent repairs to be done immediately. Before any other repair work begins we have the right to inspect the damaged property. We will tell you if we want to do this.

Unoccupancy

You must tell **us** immediately if the **buildings**, including any self-contained areas of the **buildings**, will be left unoccupied or will not be used for more than 30 consecutive days. **We** may change the terms and conditions of this **policy** or impose additional requirements that **you** must carry out. If **we** impose additional requirements **we** will tell **you** the timeframes within which **you** must carry them out.

If you do not tell us, we will not make any payment for damage occurring while the buildings are unoccupied.

Building works

If **you** intend to undertake any work to extend, renovate, build or demolish any part of the **buildings** and the estimated cost is more than £75,000, **you** must tell **us** about the work at least 30 days before the work starts and before **you** enter into any contract for the works. **We** may change the terms and conditions of this **policy** or impose additional requirements that **you** must carry out. If **we** impose additional requirements **we** will tell **you** the timeframes within which **you** must carry them out. If **you** do not tell **us**, **we** will not make any payment for **damage** directly or indirectly caused by or resulting from the building works.

You do not have to tell us if the work is for redecoration only.

Deep fat frying

In respect of any deep fat frying apparatus at the insured premises, you must ensure that:

- all extraction hoods, canopies, filters and grease traps are cleaned at least once every seven days; and
- 2. all extraction ducts are cleaned at least once every six months.

We will not make any payment under this section in respect of any incident occurring while you are not in compliance with these conditions unless you can demonstrate that such non-compliance could not have increased the risk of the damage occurring in the circumstances in which it occurred.

Special conditions

Workmen

Workmen are permitted in or about any of the **buildings** for the purposes of carrying out minor alterations, repairs, decoration and maintenance without invalidating this insurance.
